

GETTING THE MOST OUT OF YOUR CARDS

Please fill in the attached form in full:

- 1 Your child's name as you would like printed on the back of the cards **CLEARLY** printed
- 2 Quantity of cards required stated as we cannot complete your order otherwise.

If you decide to use other paper or card attach it to the form with Pritt Stick **DO NOT USE** staples, paperclips or sellotape as it will spoil the look of the artwork!

Artwork can be either landscape or portrait - remember to keep important details such as text, border designs and/or important features at least 1cm away from the edge of the paper. We cut the finished cards a couple of mm in from the edge - to avoid white lines on cards and we would hate to trim off important details!
Please note anything extending beyond the A4 sheet will not appear on the finished card at all.

Please try to keep designs unfolded and damage free as creases and marks will show on the final print.

Make it as **BOLD** and **BRIGHT** as you can - let's face it, you want to see the **ARTWORK!**
