

Primary 1

Pupils Glow logins can now be found inside their Homework Jotters and Homework Diaries.

We have been learning how to handle the laptops and iPads carefully

These are the apps we have been using:

We have been practising finding the letters for our password on the keyboard so we can log into the laptops

Miss Singer has been typing our usernames for us, we have been typing our passwords by ourselves and pressing enter to log in.

We have been playing games on the laptops where we have to use the trackpad to move the pointer to select, drag and drop objects on the screen.

We have to use the cross symbol to close the game we are playing

We have to shut down the laptop properly when we are finished.

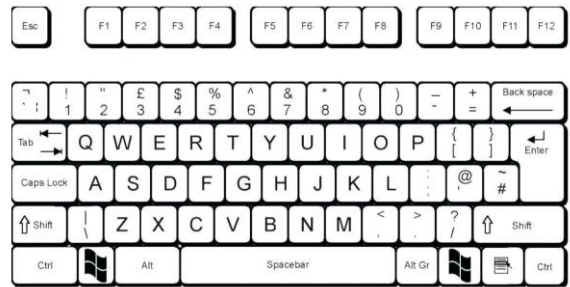

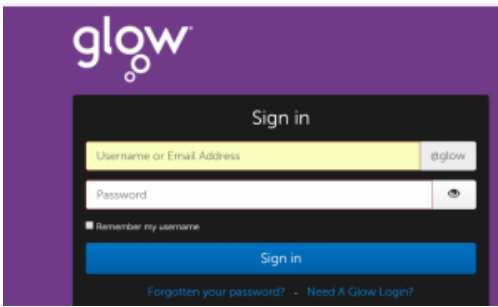

Primary 1 have not yet been introduced to Glow but will be soon.

Primary 2
